# Softphone/Mobile App
3CX DEPLOYMENT

Use Our Phone System Without the Costly Hardware

SOFTPHONE/MOBILE APP 3CX DEPLOYMENT

Access all the powerful features of our Enterprise Phone System without the expensive hardware! 3CX offers a Mobile App, Web Client, and Windows App, letting you tailor the system to fit your business perfectly.

Modern business phone systems have evolved to deliver cost-effective, feature-rich solutions that enhance efficiency and productivity. At One Click, we provide a variety of deployment options – desk phones, softphones, mobile apps, and everything in-between! Powered by the world's largest VoIP backbone, our technicians are always here to help as your FCC-compliant dial-tone provider!

BENEFITS OF OUR SOFTPHONE/MOBILE APP DEPLOYMENTS

✓ **Mobility**
Make and receive business calls from anywhere on your smartphone, PC, or tablet

✓ **Ease of Use**
No complex set up or configurations are necessary for end users

✓ **Increased Accessibility**
Receive push notifications for incoming calls, messages, and meetings right on your cellphone

✓ **Maintain your Business Identity**
Make business calls from your cellphone displaying your company number, and easily distinguish between personal and work calls

✓ **Secure Communication**
End-to-end encryption for calls and messages, protecting the business from unauthorized access

✓ **Flexibility**
Variety of options to ensure the call flow best fits the needs of your organization

✓ **Cross-Device Compatibility**
Start a call on your cell phone and continue it on the web client or desk phone (and vice versa)

✓ **Intuitive Call Management**
Transfer calls, conference in additional users, check voicemails, recordings, and more!

✓ **Real-Time Presence Monitoring**
See the availability of colleagues in real-time

Our Phone Service Plans Are Contract Free - Add users/numbers as needed
