

Your Phone System **PARTNER**

Phones are the lifeline of business communication, and at One Click, we provide reliable service and swift support from our local experts, ensuring your Phone System and Dial-tone needs are always headache-free!

WHY CHOOSE ONE CLICK AS YOUR PHONE PROVIDER?

Local Support

Our technicians are all inhouse and based out of Wisconsin

Fast Response Times

Our average response time for tickets placed within business hours is under 10 minutes.

Reliable Service

Our hosted dial-tone uses the world's largest provider with built-in redundancy to keep your system running smoothly.

Streamlined Processes

Switching phone systems or dial-tone providers can be stressful, but at One Click, our streamlined procedures eliminate common issues competitors face, ensuring a smooth and stress-free deployment with our expert team.

Cloud Hosted PBX

With our cloud-hosted PBX, even if power or internet goes out at your facility, your system stays operational—allowing clients to leave voicemails and users to make or receive calls via the 3CX Mobile App or Web Client with an active internet connection.

Award Winning Platform

3CX has earned 26 awards since 2020 from top platforms like G2, Capterra, and PC Pro, and is trusted by major brands like BMW, Honda, Pizza Hut, and Coca-Cola!

Flexibility

Our phone system is flexible, catering to businesses with multiple locations, remote users, and softphone or mobile setups!

Cost Effective

Our Hosted Dial-tone service is contract-free, offering flexible plans that adapt to your business needs without penalties or extensions.

Feature Rich Platform

3CX offers a full suite of features to keep your business running efficiently, without the hidden costs—everything you need is included from the start!

Multiple Deployment Options

We've got you covered with White Glove Onsite Installation, Remote Setup, Softphone Deployment, or Custom Implementation!

Scalability

Scale your phone system as your business grows! 3CX keeps it cost-effective for small businesses while offering room to expand.
